

# Supporting Teaching and Learning

## Advanced Apprenticeship

### Course Summary

This qualification develops the skills and knowledge needed to provide effective support for teachers and pupils as part of learning programmes.

It also covers the development of children and young people and working effectively with colleagues.

### Functional Skills

Maths, English & ICT Level 1.

### ERR and PLTS

The candidate will learn about Employment Rights and Responsibilities and apply Personal Learning and Thinking Skills throughout their Apprenticeship.

### Length of Course

You can usually complete within a year or less.

### Attendance

The qualification will be delivered in the workplace with the assessor visiting once every 4-6 weeks. If Functional Skills are required, weekly attendance will be required.

### How Much Will It Cost

The Apprenticeship is fully funded so we won't charge you anything. The only cost to you is the employment of the apprentice – therefore paying their wage and associated costs.

The AGE Grant is currently available to support the recruitment of an apprentice aged 16-24 of £1500 subject to eligibility checks. There is also a further grant available called the Salford Future Grant which supports the recruitment of Salford residents subject to eligibility.

### Facilities

Based in our state of the art FutureSkills Centre in MediaCityUK, we have fantastic facilities to support our apprenticeship provision.

We will provide the apprentice with access to IT facilities including: use of software such as full suite of office software, electronic portfolio access, 24 hour remote on-line access to email account and learning resources, internet access, learning resources on Moodle.

### Progression Routes

The level 3 Diploma in specialist support for teaching and learning in schools. The level 3 certificate in cover supervision.

### Recruitment

We will work with you to determine your requirements and provide full recruitment services - advertising through the National Apprenticeship Service, Indeed jobs website, Social media and the college website. Our team of dedicated Apprentice Co-ordinators will assess, screen and interview potential apprentices before we send them over to you for interview consideration, saving you time and money in recruiting the right candidate.

### Endorsements

We work with a wide range of businesses from small business through to large companies such as Royal Bank of Scotland and ITV.

***“Apprenticeships are a real opportunity to home-grow future talent. We have opted to work with Trinity Business Training as it shares our commitment to developing young people. Trinity offers a comprehensive and flexible package, from the recruitment stage through to adopting a bespoke approach to the qualification element of the NVQ, as well as giving full support to enable learning and help our candidates reach their potential.”***
