

Building Maintenance, Multi Trade Repair & Refurbishment Operations Apprenticeship

Course Summary

This course is designed to enable students to gain qualifications required for a career as multi-trade technician, working on a range of maintenance and repair functions.

The course will cover the following mandatory areas:

- **Deliver reliable customer service**
- **Conforming to general health, safety and welfare in the workplace**
- **Conforming to productive working practises in the workplace**
- **Moving, handling and storing resources in the workplace**

Candidates will then specialise from the following:

- **Site safety and access**
- **Maintenance carpentry and joinery**
- **Maintenance painting and decorating**
- **Maintenance tiling**
- **Maintenance plastering**
- **Maintenance trowel occupations**

(Two of the above)

Functional Skills

Maths and English.

ERR and PLTS

The candidate will learn about Employment Rights and Responsibilities and apply Personal Learning and Thinking Skills throughout their Apprenticeship.

Length of Course

2 Years.

Attendance

Day release.

How Much Will it Cost

The Apprenticeship is fully funded so we won't charge you anything. The only cost to you is the employment of the Apprentice - therefore paying their wage and associated costs.

We have grants available to support the recruitment of an Apprentice aged 16-24 of £1500 subject to eligibility checks.

Progression Routes

We offer courses from Level 2 through to Higher Apprenticeships at Level 4 so we can support candidates right through their professional development.

Facilities

Based in our high quality City Skills Sixth Form Centre, we have some of the best and most advanced workshops/facilities in the North West. Recently modified they provide an outstanding location to learn.

Recruitment

We will work with you to determine your requirements and provide full recruitment services - advertising through the National Apprenticeship Service, Indeed jobs website, social media and the college website. Our team of dedicated recruitment co-ordinators will assess, screen and interview potential Apprentices before we send them over to you for interview, saving you time and money in recruiting the right candidate.

Endorsements

We work with a wide range of businesses from small businesses through to large companies such as Seddon and Pendleton Together.

"Apprenticeships are essential to the current and future success of the construction industry in this country. At Seddon we invest huge resource in developing talent through our Apprenticeship scheme, and take great pleasure from working with Salford City College, who are our preferred Apprenticeship provider. The service they provide is first class."

Roy Cavanagh MBE; Seddon Training and Development Executive

Success

Our courses currently hold an 81% overall success rate which is 11% above the national average, displaying outstanding provision and service to both Apprentices and employers.
