

**BREAKING NEWS**

**WE PERFORMED BETTER THAN ALL OTHER GFE<sup>†</sup> COLLEGES IN GREATER MANCHESTER!**

# Why Choose Us?

## We are the Number 1 General Further Education College in Greater Manchester<sup>†</sup>

Based on success rates, Salford City College is the number 1 GFE College, meaning that students have more chance of being successful with us than any other college. Visit [www.salfordcc.ac.uk/number-1](http://www.salfordcc.ac.uk/number-1) for more details.

## Outstanding Results

We have a history of success on all qualifications. We have a 99% A-Level and 99% Advanced Vocational pass rate with a very high percentage of high grades achieved.

## FREE\* Buses

We have a number of College buses that operate throughout Greater Manchester. Pay just £20 per year and then travel on the College buses is free. They are reliable, clean and comfortable and you get to chat with your friends on the way in to College.

## Enrichment

Work hard, play hard! We offer a wide range of additional activities during the college day for you to join. These include clubs, sport, fundraising and opportunities to learn extra skills. You will have Wednesday afternoon free of lessons, meaning you can take part in the fantastic range of activities on offer. See page 14 for more details.

## High Aspirations

We have exceptionally high aspirations for all students and want you to progress onto your first choice university, employment or training. We will work with you throughout to help you succeed. We have lots of visits to universities, a Higher Education event at the College and a Gifted and Talented programme.

## Great College Life

Our social areas in College enable you to meet up with friends during free periods and breaks. You will enjoy your time with us as well as being successful. Whether you want to study in a formal setting, or work on your iPad whilst having a coffee in the café, you will find the perfect space for you.

## Supporting You

We aim to provide you with the support that you need. Whether you have a disability or need extra tuition, we are here to help.

## Financial Support

We can offer a bursary of up to £15 per week<sup>1</sup> to help you with the cost of attending college. You may also be entitled to free lunches each day – please ask for details.

## Superb Teaching and Learning

Our staff are committed to providing the very best teaching and learning through exciting lessons. They will push you to achieve your personal best.

## Facilities

Our already fantastic facilities will get even better in 2017, thanks to a further £9m investment. Facilities that are already new in 2016 include Digital Learning Zones at each centre, new gyms, social spaces and cafés, a new Animal Management Centre and a new sports centre to name just a few.

## You are an Adult

You choose to come to college and you are an adult, so you will be treated like one. Staff and students have mutual respect for each other and this creates a good working culture. You will call your tutor by their first name, you do not wear a uniform and you are only expected to attend college when you have lessons, so you have much more freedom.
