

INFORMATION FOR TRAINEES

WHAT ARE THEY?

- An innovative programme to make sure you are ready for your desired apprenticeship
- A programme to offer employers a little time to get up and running post Covid-19
- A great way to cement your position with an employer who wants you, through mentoring and work experience with the employer who has recruited you!
- We can offer targeted traineeships in three main areas:
 - **Construction**
 - **Childcare**
 - **Professional Services**
- Travel expenses, lunch and some IT resource may be covered to help you on the scheme.

HOW WILL THIS BE DELIVERED?

- You will be expected to make a 3 day per week commitment:
- One day at Frontier House, one day work experience and one day supported, remote study.
- Learning will be focused on the following:
 - Sector knowledge that will support their future apprenticeship studies
 - Employability and employment awareness
 - Functional skills where required
- All trainees will be allocated a sector delivery expert to support them while on the traineeship.
