AND COMMUNITIES

The Education and Skills Funding Agency 16 to 19 tuition fund has been allocated to colleges in 2020/21 to mitigate the disruption to learning arising from coronavirus (COVID-19) The funding is being provided to support small group tuition for 16 to 19 students in English, maths and other courses where learning has been disrupted as a result of the pandemic.

Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects by age 16. All supported students must be on a 16 to 19 study programme.

The College will provide support as follows:

- Additional 1:1 academic and wellbeing support via the Pastoral Leaders and Pastoral Coaches
- Additional small group English and maths catch-up tutorials
- Additional small group Vocational sessions to consolidate knowledge
- Pyramid Clubs to support wellbeing, mental health and resilience
- Additional online support and resources to extend learning outside of the classroom

Each session will contain a maximum of five students to ensure that each student receives the intensive catch up support they require to make up for the disruption to their learning and prepare them for the successful completion of their study programme.

In order to provide students with impactful support, the College will allocate academic, pastoral, English and maths specialists to provide the small group catch-up sessions.
