

Parent / Carer Information Form

At Salford City College Group, we are passionate about working collaboratively with parents/carers, keeping you up to date and informed about your son/daughter's education. We understand the vital role that parents/carers play in supporting their son/daughter throughout their learning journey and believe that transparent communication is essential. We strive to maintain a strong and collaborative relationship with parents by providing regular updates on academic progress and attendance via our user-friendly online platform Parent Portal.

Please complete all sections of this form and bring it with you to your enrolment appointment.
